All of your items will have the same "CODE" - preferably FOUR LETTERS starting with "C"

Each distinct item will have a unique # - 01, 02, etc -

Multiple items at the SAME price can have the same # - tell us the QUANTITY!

A short description in case the price tag comes off is quite helpful

PRICE is the price the item will sell for (NOT your proceeds)

IF you have more than 30 items, please continue this list and format on a separate piece of paper
